Teachers, Speakers and Student Recognition

A special event to thank the high school teachers, speakers and students that participated in the clubs from Patrick Henry High School, San Diego High School, Morse High School and Lincoln High School.

Education & Careers in Engineering

Panel representatives: San Diego State University, San Diego Community College District, New School of Architecture and Design, and Cuyamaca College Presentation on education and career opportunities in the field of engineering.

Panel Moderator: Calina Ferraro

A graduate from McGill University with a Bachelor in Mechanical Engineering, Calina is a Mechanical Engineer and Principal at Randall Lamb Associates, an MEP consulting firm in San Diego. She leads mechanical and plumbing design teams in a number of industry sectors and spearheads Randall Lamb's sustainable design group
